

CORE TEAM PARISH MERGER

OCTOBER 26, 2008

Last Sunday Bishop Galante commissioned 41 Priest Conveners representing 37 new parish communities to be formed over the course of 1 to 2 years in our diocese. Each Priest Convener then commissioned the Core Teams of their respective parishes. As the eight members of St. Cecilia's and St. Veronica's Core Team were commissioned by Fr. Bill Moore and presented with the insignia pin ("Gathering God's Gifts" - Core Team 2008) they were told: "May God who has called you to this work strengthen you and sustain you as you bring (the merger) to completion". Let us join our prayers and support their efforts on our behalf to create a new parish faith community dedicated to fulfilling Christ's command to: "Love one another as I have loved you".
